## CONGRATULATIONS!

### 2010 All Japan Grand Champion Fed And Grown Using Saki-Hikari®

This splendid Kohaku, owned by Mr. Masao Kato, is 9 years old, 99 cm (about 39 inches) in length and was bred by Dainichi Koi Farm, and raised by Narita Koi Farm using Saki-Hikari diets as it's primary diet.

This is the 7th consecutive All Japan Grand Champion to be raised on the world's most technologically advanced koi diet, Saki-Hikari extending Hikari's uninterrupted winning streak which began in 2003 (no show was held in 2004).
